

X **Crosslander**[®]

BY

U **S** **G**

The logo features the letters 'U', 'S', and 'G' in a bold, dark green, sans-serif font. Three yellow five-pointed stars are positioned above the letters: one above 'U', one above 'S', and one above 'G'. A horizontal stripe of the German flag (black, red, and gold) is integrated into the bottom of the 'S' and 'G'.

XCrosslander®

**The brand for comfort,
warmth and water proofing**

Crosslander by USG represents high-quality footwear specially designed for challenging weather conditions. The combination of comfort, warmth and waterproofing ensures that users are well protected in any environment everyday.

Target group & area of application

Outdoor and equestrian enthusiasts, hunters and active users who are looking for robust footwear and accessories for the stable, field, garden or leisure.

Brand strengths

Robust & weatherproof:
waterproof, cold-insulating and suitable for harsh outdoor conditions.

Versatile combinations:
from rubber shorty boots for the stable to elegant winter boots – a wide range of uses.

Practical & functional:
Developed with feedback from outdoor professionals – flexible uppers, non-slip soles.
